

```
# Write a program to display the following pattern  
using nested loops.
```

```
1  
22  
333  
4444  
55555
```

```
for i in range(1, 6):  
    for j in range(i):  
        print(i, end="")  
    print()
```

```
1  
22  
333  
4444  
55555
```
